ONLINE UPDATE September 2020

Index page 639

The Index includes page number references to: Names, subject headings, subject cross references; Location references (e.g.: Bronx: see New York City Area)

Publication names appear in italics

Women's Section page 3

Entries for the Women's Section comprise any that have selected the ♀ or ♀ symbol; any that have chosen to pay for additional placement in this section; any others that have what the editor in her infinite wisdom considers appropriate but not exclusive female appeal. *All entries in the Women's Section also appear in the main section and, when appropriate, in the Ethnic/Multicultural section.*

Ethnic/Multicultural Section page 73

A work in progress. Corrections, additions and constructive criticism very welcome. *All entries in the Ethnic/Multicultural Section also appear in the main section and, when appropriate, in the Women's section.*

Main listings begin page 97

To locate any particular city or subject please see the index
